

# TOWN HALL

## DISCUSSION

Tacoma's skyline is changing, with a growing population bringing new ideas and energy to the City. What is the best way to make room for these new arrivals in our old City and its many neighborhoods where housing, until recently, had been affordable to own or to rent?

Revitalization • Gentrification • Displacement • Affordability  
Roads and Infrastructure • Living Wage Jobs  
These are some of the vital issues that must be addressed.

Come with your questions for the City Council candidates, who are looking to help guide our City over the next four years and want to earn your vote. Learn how to participate in your respective Neighborhood Councils to build a stronger community.

If you would like to submit on-line questions in advance of the meeting, forward them to the North End Neighborhood Council Executive Board: [officers@nenc.org](mailto:officers@nenc.org)
